1126 SE Division St #200, Portland, OR 97202, United States

Our only U.S. location lives in the Arbernathy Neighbourhood in SE Portland. As you walk in from the main entrance, you will see a couch and coffee table next to our merchandise, offering a comfortable lounging area. In the center of the space is a large communal table, next to which are a couple of high tables with lovely natural light from the windows.

# VIRTUOUS PIE VICTORIA

530 Pandora Ave, Victoria, BC V8W 1N6, Canada

In the heart of Victoria's Chinatown is our biggest location to date! Available for partial buyout, the space comes with four sections altogether — group or separate seating right when you walk in the main entry, a lounge tucked beside our fully licensed bar, booths located directly in front of our main kitchen, and a quiet courtyard patio surrounded by a lovely garden above bench seating.

# VIRTUOUS PIE VANCOUVER

583 Main St, Vancouver, BC V6A 2V1, Canada

Our flagship location is located in the heart of Vancouver's Chinatown, right around the corner from our sister restaurant, M!LA. There are 3 long tables with bench seating on either side of each table, and there is one high table by the front window.

We have the capacity to fill large catering orders to go, but for groups larger than 40, we recommend hosting your event at M!LA.
